

Are you passionate about your community? Become a

COMMUNITY CHAMPION

Help get trusted information about public health to your community

What will a Community Champion do?

- Receive regular updates on the latest public health
- Support friends, family, & the wider community to remain informed & up to date on the latest information
- Feedback any local issues or concerns

What support will I get?

- Full induction training
- Flexible volunteering commitment & reasonable expenses provided
- Regular sessions with health professionals to discuss the latest advice, guidance & answer questions about public health
- A peer support network providing an opportunity to connect with other Community Champions
